

CERTIFICATE OF ANALYSIS

Product name: **4% NB FORMALDEHYDE**

Batch: FNB4-175-4/20

Valid until: 20.05.23.

Product description

- Product code: FNB4-1L, FNB4-5L, FNB4-10L, FNB4-20L
- Product name: 4% NB FORMALDEHYDE

Intended use

- Histology

Chemical and physical data

- Description: colorless liquid
- Odor: sharp
- pH value: 6.967 (acceptable range 6.8 – 7.2)

Results of control staining

Method: By immersing the samples in an adequate amount of fixative through an appropriate period of time to keep their in vivo relations in order to prepare them for staining.
